

## GET \$300 in FREE Massages & Spa Services!

Now that we have your attention, if you are interested in receiving \$300 worth of massages from our school absolutely free, here is how it works:

If you know someone who is interested in going to massage school, send them our way & have them notify us who referred them when they enroll†. Upon their graduation, we will show our thanks & appreciation to you with \$300.00 in free gift certificates good for student massages and/or spa services.

Healing Mountain offers a diverse, yet marketable curriculum. In addition to the standard massage therapy courses, our 900 hour program contains unique modalities like:

- Zen & the Art of Massage
- European Hydrotherapy & Spa Training
- Color Therapy using Crystals
- Prenatal & Lymph Drainage Massage
- Thai Yoga Massage
- Tibetan Energy Healing / Reiki
- Aromatherapy

These are all in great demand by employers, but rarely offered in most basic massage programs. You usually pay more for advanced courses. At Healing Mountain you get them all in our **900-hour Massage Therapy Program!**

So, if you know a friend, family member, or co-worker who is thinking of changing professions to a rewarding career in massage therapy, send them our way and make sure they say you sent them. After they graduate on time, you'll get \$300 in massage or spa services as our thanks and they will get a quality education. For more details call our Admissions Director at 1-800-407-3251, ext 2.

† Current HMMS employees & immediate family members are not eligible for this offer.

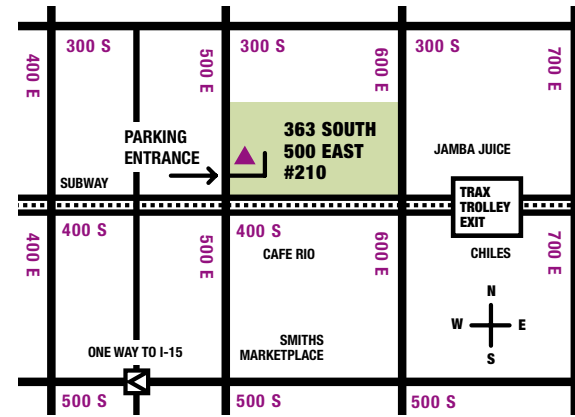

Both the Salt Lake and Cedar City campuses of Healing Mountain Massage School offer a unique retail shop. It is **HEALING MOUNTAIN CRYSTALS**.

In Salt Lake City, our CRYSTAL SHOP is located right through our main doors next to our spa waiting room. We have many display cases of healing crystals, jewelry and rare minerals from around the world. We also have an array of other items including: natural handmade soaps, lotion, liniment oils, books, sage, singing bowls and more. Our Cedar City campus has beautiful items on display in their reception area too.

Whether you enjoy a diverse group of mineral specimens or for their metaphysical healing properties, our displays are not only there for your enjoyment, every item is also for sale. Ask the front desk staff for assistance in finding out the sale prices for items on display. And, if there is something you are looking for that you don't see on display, just ask. We may have it in storage or can direct you to a dealer who might have what you want.

If you have any questions regarding the crystal shop, call either campus & visit Healing Mountain Crystals on facebook.
